## Legion Picnic Draws Large Crowd

**Swanson Spurs Bachelors to Tug-o-war Victory**

Over two hundred members of the Strathmore Branch of the Canadian Legion and their families attended the picnic held on Sunday in St. George's Island, Calgary, when races were run, softball was played, and ice-cream and other refreshments were served.

Cas left the Memorial Hall at one o'clock, and gathered in a special parking area at the Island. The early part of the afternoon was absorbed with children's races, followed by events for the older members of the group. The race program was under direction of Orrin Woldum and George Freeman, assisted by Rose Martin and Walter Boase.

Following the races, the single men, under captainship of James Swanson, challenged the married men to a tug-war. With Cliff Way leading the benedicts, three tries were held, and the single men out-pulled in two of them. Mr. Swanson took the opportunity to point out that though their numbers are dwindling, the single men are losing in no other way. Since it was also his birthday, Mr. Swanson was congratulated by all.

Some of the most popular men at the picnic were those working on the ice cream cones, and they received many customers throughout the afternoon. Among them were Bill Weyers, Ernie Stoodley, Bill Woodliffe, Andy Scott.

Supper was served under the

trees, where everyone spread their picnic baskets, and enjoyed the chatting that goes with the picnic atmosphere. Coffee was served from a large pot, and ice cream filled out once more, the supper. Ian MacKenzie brought home "the bacon" in the form of a fine Pressure Cooker, as the result of holding the lucky number in the Sale of Tickets.

## Scouts Leave for Camp on Thursday

Half a dozen of Strathmore's Boy Scouts left for camp early Thursday morning, in Hansy Boer's truck. At Calgary they will pick up some more of the boys from the 12th troop, and then proceed to Aldridge, where another ten Scouts will join them.

The camp site is on a lovely wooded section west of Cremona, and the boys will spend eleven days under canvas here. Situated on the Little Red Deer River, they have ample opportunity for scouting and woodsmanship. The camp is under direction of Chuck MacLean of Strathmore and Lew Blair of Aldridge.

## Inch Rain Improves Hussar Crop Looks

**Good Crowd Hears Social Credit Talk**

by Mrs. M. C. B.

A very enlightening Social Credit meeting was held in the Community Hall on Monday night, July 26th. About thirty men were in attendance, and showed a keen interest in the talks given by George E. Bell, Social Credit candidate, and W. D. Wylie, M. P.

Mr. Paul R. Larsen bought the 2,500 bushels of grain left after the fire which destroyed the Midland and Pacific Elevator, on Friday, the 23rd, and is busy cleaning away the debris and hauling away the grain. The rails on the siding that

## Many Attend at Swimming Classes

Classes to teach swimming to Strathmore youngsters were started last Friday at the pool by Mr. Raymond Rajala, supervisor. About thirty-seven applicants were received initially. Mr. Rajala stated, and he expected a few more to start at the first of the week.

Initial classes work on giving confidence to the children, and this later branches on to steps in swimming. Pupils will be taught the American Crawl stroke first, and will later go on to backstroke, side, and breast stroke.

## Blood Clinic Comes To Strathmore

Once again the Red Cross appeals to us to respond to the Blood Donor Clinic to be held in the Memorial Hall on Tuesday August 10th from 2 to 5 p. m. This is one way in which we who are blessed with excellent health can share that gift with those less fortunate. We are proud that the strong bodied of Strathmore and the vicinity, respond so generously. Let us keep up the good work, and lead others who are able, and who do not yet understand, to also give of their blood for the life of a human being.

were warped by the fire are being repaired by the C. P. R. crew.

On Tuesday evening, Hussar had one of the worst thunder storms of the season, which did not damage, but was followed by a heavy rain, which brought down 1.06 inches of moisture. Just a month to a day since the heavy rain, June 22nd, that rain gave 2.1 inches of moisture. The farmers' throat of Hussar report a splendid crop prospect.

Mr. and Mrs. C. H. Crossley, and this rain will be of great value in helping the grain to fill.

Road work is progressing well north of Hussar, it is now possible to travel over when they are working on it; later there should be a great improvement, as the road is being raised considerably.

## Bert Wyman Loses Hole to Fall In

**Strathmore Motors Repairs Back Shop**

The grease pit at Strathmore Motors, which seems to have been a major attraction for Bert Wyman, is being filled in, and replaced with a hydraulic hoist. Bert, one of the mechanics at the garage, feels the pit was a good place to drop in on occasionally, and on one of these three drops, seriously injured himself, breaking his leg, and bruising several other spots.

Work was started Monday to fill in the pit, and to install the new hoist. In addition, the whole floor

is to be levelled up and the ceiling partition between sections is being removed.

Back in one corner is a source of grief in leveling up the floor. It is the mounting for the old Delco system which used to power the building twenty years or more ago. The mounting is a shaft of concrete sunk deep in the ground, which defies removal. The block is being broken away to floor level with a mallet and chisel by Robert Thurst, who rather feels that he has been sentenced to "hard labour" in this particular job.

Construction work is being done by Al Morton, and he is assisted by

## Name Scholarships Available For Wheatland Area Students

**Students Given Four Opportunities**

Scholarships which are available to pupils of the Wheatland School Division were announced by Munro MacLeod, Inspector, early this week. There are four in the group, though only two are open to the entire division, two being restricted to local areas. Students who are interested should consult their teachers, or write the divisional office.

The Acme Memorial Scholarship consists of purses of \$75 and two of \$25, and is available to Grade XIII students in the Acme High School on the departmental exams to assist in their education.

The Carleton Home and School offers a \$500 scholarship to Grade IX pupils on their departmental exams.

The Fennessy Memorial Scholarship available to Grade XII students having all their high school at Kathryn, amounts to \$500 and is also on the departmental exams.

Mr. and Mrs. Swartzen and child, school Grade IX scholarships consist of \$50 and four awards of \$12.50, is open to any Grade IX student in going to the highest student in the division. The remaining four prizes go to the highest student in each of the other sub-divisions.

## Former Local Pioneer Sees 80th Birthday

Her eightieth birthday was the occasion for a surprise party given Mrs. E. Crossley recently in Stanley Park, Vancouver. Mrs. Crossley came to Strathmore in March, 1909, leaving years later for the West Coast. She is still enjoying life with her family, and many old-time friends in Strathmore will rejoice with her on this eightieth birthday celebration.

Some twenty-five members of the family gathered on July 25th for a picnic, and included among the group four generations.

## Namaka Friendship Club Gives Shower For Mrs. J. Hanson

by Mrs. E. B.

The Namaka Friendship Club arranged a shower in honor of Mrs. Jerome Hanson at Mrs. N. Hanson's home last Thursday. The room was decorated with fresh garden flowers and the bride table was centered with an attractive wedding cake. Two committees were on duty. Mrs. Margaret Butler, in a few words then welcomed Mrs. Hanson to the community and asked her to accept a lovely wool blanket and a pair of embroidered pillow cases. Mrs. Hanson graciously replied. A delicious lunch was served after which every one had a good and sang "For They Are Jolly Good Fellows".

Mr. and Mrs. J. J. Lepp and family and Mr. and Mrs. A. Etzen and family motored to Banff on Sunday where they visited for the day.

### WATER AND SEWER DEBENTURES

Most recent development in the Strathmore water and sewer picture is the decision to ascertain how much of the necessary debenture issue could be marketed in Strathmore and district. This move was agreed on at the meeting held by the Council on Tuesday.

Looking at the picture broadly, we think the members of the Council acted wisely, and we think the chances for going ahead are better than they have been for some time.

Given a satisfactory sale of debentures in the immediate area, it is understood there will likely be little difficulty in selling the balance to an outside investment firm. This reasoning is obvious, since a good sale locally means that the townspeople feel confident not

only in the future of the town, but in the ability of the town to repay the debentures. They will, in effect, have underwritten the debenture issue to the satisfaction of the larger investor.

And there is another feature which creeps into the picture. If the local sale is not particularly satisfactory, there is little likelihood of the issue ever being sold anywhere. The whole program would have to be shelved. And when the Council were asked what was the matter, their answer comes very pat. It is that the residents didn't want the water sufficiently to pay for it.

The ratepayers voted overwhelmingly last fall in favour of installation. Since that time the term of the bond issue has been shortened from thirty to twenty-five years, and the interest rate has gone up from an average of four percent to an average of four and a half percent. This has the effect of raising the annual payment from an approximate fifty-five hundred dollars a year to an approximate seven thousand.

Whether the new picture meets with their approval should be obvious in the near future. Acceptance of the scheme will be shown by willingness to put money into it. Doubt will be shown just as clearly by the disinterest extended to this new move.

It's squarely up to the residents now, and in the most practical way possible.

ing of Mayor Patrick and the financial firm of Tanner and Co., who were negotiating sale of the debentures prior to the end of July. At this date they still had no buyers and agreed to return to the Town all information in their possession. They suggested that strong local support for the debenture issue would certainly help to sell the remainder of the bonds.

T. S. Hughes has been given authority to sound out local avenues for purchase, and further action on water and sewer will depend entirely on the success accorded Mr. Hughes's efforts.

Three Caveats on a local property were withdrawn, following representations by George Smith, who attended the meeting, and a property whose position has been in dispute for some years is once more back on the tax roll. A weed and fire nuisance was mentioned in connection with the tall stand of hay and weeds at the school race track, and it was agreed to notify the School Board of the nuisance, and ask that it be cut down, so that weed seeds would not be blown, nor would a careless match or butt start a blaze.

Mention was made of complaints received from an American visitor in town, who criticized, nevertheless, the condition of Lambert Park. The matter was discussed briefly, but no action was agreed on.

A discount of 3 percent will be allowed on town taxes paid prior to October 21st, it was agreed.

An application was received from a local garage for a permit to deal in electrical appliances. It was recalled that the last such application was allowed with the suggestion felt that they could not fairly decline this application, and accept the other. Objection was voiced on the grounds that service was being offered only by two local shops, and that they might be driven out if every shop in town were allowed was over-ruled, however, and the application accepted.

Notification of three old age pension applications were received from the province. None was protested.

Road work necessary in front of the schoolhouse came up for some discussion, and further action was left in the hands of the Public Works Committee.

Accounts amounting to \$315 were passed.

### Stobart Notes

Mr. and Mrs. A. J. Saue and family and Mr. and Mrs. F. Habbe and family spent the week-end at Buffalo Lake.

Mrs. O. Blais has been on the sick list again and had to be taken to a Calgary hospital. We all wish for her a speedy recovery.

Mr. Roy Foster spent Sunday at home. He is now relieving at Maple Creek.

Don Foster spent the week-end at home.

Mr. and Mrs. B. Young and family of Gleichen spent Sunday at the home of Mr. and Mrs. Fred Wright.

Mr. and Mrs. Walter Pomroy of Calgary visited friends in the Stobart district Sunday.

One night in the hotel, several men were discussing one of the battles. A lieutenant, telling his version of it, was interrupted by a former captain, who corrected him on several points. He, in turn was contradicted by a major and told a different story. Presently a fourth man spoke up.

"Gentlemen, I was in that fight. Perhaps I can refresh your memories a little." And he gave a quiet but precise account of the action.

"What was your rank, sir," asked Jack Issard.

## VOTE BELL 1

The Social Credit Government does not TELL the People What They Want. It ASKS The People To Tell Them What They Want.

### THE PLEBISCITE

The time has arrived when a definite decision must be made as to whether the requirements of the people can best be met by the generation and distribution of electricity being continued and extended by the Power Companies as at present or by the generation and distribution of electricity being taken over and extended by the Alberta Government Power Commission as a publicly-owned utility.

Inasmuch as the decision made in this important matter will directly concern every citizen of the Province, the Government believes that the people themselves should be consulted and given an opportunity to express their preference. This procedure is in full accord with the highest concept of truly democratic government. Once the people have declared which of the two alternative policies they prefer in Government will regard the implementation of that policy as an inescapable obligation and responsibility. A plebiscite on this important question will be furnished for each elector in conjunction with the provincial general election on August 17th. The plebiscite is reproduced below. All citizens are urged to exercise their democratic right to choose which of the two alternative policies they prefer. It will be the people's decision and their decision will be respected.

As a rule, the most interesting and successful people are those who have inquiring minds. They are always ready to learn more — from all sources, including other people.

Questions are keys to information that cannot be discovered in any other way. And you will get worthwhile information from people in all walks of life — if you are not too proud to ask for it.

Moreover, I find that people invariably "open up" readily in response to a query about their work, hobbies or some other subjects about which I have reason to suspect that they know a lot.

I try to summarize what I have learned. This, I find, helps me to remember the facts more clearly.

## Obituaries

Funeral services were conducted on Wednesday afternoon from the Strathmore United church for Mrs. Agnes Maria Johnston, sister of Mr. William A. Laycraft of Strathmore. Mrs. Johnston, who moved to Mr. Laycraft's home a few weeks ago, passed on Monday, August 2, at the age of 75.

Services were conducted by Rev. A. A. Hamilton, with Melnes and Holloway in charge. Pallbearers at the service were Messrs. Givlin MacKenzie, Frank Azar, Bob Otten, and Baker. Interment was in Strathmore Cemetery.

## Tragic Death of Thomas Warrack

The sad news was received last week by Strathmore friends of the death of Lath Thomas Warrack, youngest son of Mrs. John Warrack and the late Mr. Warrack.

The plane with ten occupants crashed Wednesday July 28 in Kitiganitz Harbor near Norman Wells. The plane crashed when caught in a cross wind while negotiating the narrow approach to the harbor. A float dug into the water, dragging the craft down and causing sufficient damage to sink her.

Air Force officers said tonight the Catalina was raised on floats, enabling the body to be removed, and salvage operations to be begun. They doubted, however, that she ever would fly again.

The very sincere sympathy of many friends is extended to the bereaved family in their sorrow. Surviving to mourn his early demise are his widow, one daughter aged seven, his mother, three brothers and five sisters. This is the first break in a family of nine children, all of whom spent their early childhood in the Strathmore district. Mr. and Mrs. Warrack being pioneer residents.

A military funeral will be held in Calgary Friday afternoon.

Berryvale W.I.

Mrs. Doris Wegener was hostess recently to the regular meeting of the Berryvale W. I. at the home of her mother Mrs. L. Helton. A very interesting report on the Convention was read by Mrs. T. Taylor, and the various projects were fully discussed. 2 cents from each member was sent to the Million Member Plan. A most parcel is to be sent to Britain, and a \$10.00 donation was made to the cancer fund. Mrs. L. Helton is purchasing 16 yards of print to be made into aprons for the annual bazaar. A delicious lunch was served to ten members and three visitors. The next meeting will be held at the home of Mrs. T. Taylor on August 12. Roll Call harvest hint and each member is requested to take a Bingo prize worth fifty cents.

It's going to cost more to heat the home this winter—and some may find fuel hard to come by, warns the Financial Post.

Prospects are for substantial increases in anthracite (maybe \$1.50 a ton), in fuel oil (perhaps 1 cent to 1½ cents a gallon), a likely boost of 25 cents to 75 cents a ton on soft coal was announced last week. And if you haven't got an oil contract—you'll look far and long for a dealer to take you on.

If you have you may get short supplies.

## Langdon Notes

by G. E. W.

Those attending the W. 1 picnic held recently in Langdon reported having a good time, with plenty of good things to eat. A ball game finished up a very enjoyable day.

Last week a Weiner Supper, sponsored by the Itebecca of Langdon and district was well attended. Bingo was played by many enthusiastic players, the tables in charge of Ed. Wenstrom and Geo. Whitney.

Among the berry pickers at Beaver Dam, last Sunday, were included Mr. and Mrs. Lowe, Mr. and Mrs. Tod, Albertson, Mr. and Mrs. Fred Dain and family. Lots of lovely saskatoons, if you know where to find them!

Mr. and Mrs. Wm. Broden and Mr. and Mrs. Moe, were in Standard, also Carbon, last Sunday.

Mrs. Dain Sr. spent Saturday July 17 as guest with the Unity Chapter O. E. S. on the occasion of her birthday, at Bowness Park in Calgary. Later in the evening attended the Grand Theatre, to see Calgary Stampede, accompanied by friends.

Mr. and Mrs. Nicholson and Clara, at present visiting with their son-in-law and daughter, Mr. and Mrs. Chas. Tookey and family of Geneva, Alberta.

Mrs. Geo. Whitney and Stuart, are also away spending their holidays with her son-in-law and daughter Mr. and Mrs. Wm. Cathro of Saskatoon.

Mrs. Petersen and Mrs. Buntain are at present back in Langdon district, for awhile. They were dinner guests at Mrs. Dain's on Monday afternoon of last week. Later they all drove over to Mrs. Broden's to enjoy some very choice strawberries and cake.

Mr. and Mrs. C. Robinson and family are now located in their new home, formerly owned by Mr. and Mrs. Kucenakas.

Miss Ena Thomas recently returned from Jumping Pond, left last Tuesday morning for Victoria, B. C. where she will spend the next two weeks visiting with relatives.

Mr. and Mrs. Dick Bittle have returned home after spending the last week on holidays.

The H. & S held their regular meeting in the hall on Monday evening with 11 members present.

Is a member of the Board Alberta Medical Services Incorporated Prepaid Medical Surgical Care.

Served on First Board of Directors of Western Irrigation District.

Served as a Director of the United Farmers of Alberta for 10 years and still an active member.

The experience gained by Mr. Wheatley in these offices eminently qualifies him to serve you in the Legislature.

Compare this record with that of the other Candidates.

## WHEATLEY ADVOCATES:

1. A good sound business government.
2. Economy and efficiency in all government business.
3. Greater financial assistance for education, thereby removing the heavy burden of taxation on land and property.
4. More and better main highways and mo\* maintenance.
5. Fair share (25 percent) of the Gas Tax and license fees for rural roads.
6. Employment of an expert road building engineer to build highways that will last.

7. Ear marking the balance of the Gas Tax and licence fees for road building.
8. Encouragement of the tourist trade. This would stimulate a market for farm produce.
9. The interests of the farmer, business man and wage earner to be safeguarded.
10. Development of the natural resources in a way that will benefit all the people.
11. Rapid development of rural electrification.

12. No export of natural gas until we are sure we have enough for our own use at reasonable prices.
13. Encourage industry to come here.
14. 5 per cent royalty to owners of surface rights where the Province owns the mineral rights.
15. Gradual reduction in taxes as quickly as possible.
16. Preference for returned service men and women in government service, other things being equal.

EVERYONE WELCOME To Come And Hear These Problems Discussed.

## Insurance Notice

The Superintendent of Insurance of the Province of Alberta, wishes to announce and stress that The Home Insurance Company of New York, maintaining a branch office in the Canada Life Building in the City of Calgary, Province of Alberta, is in no way connected with, affected by, or concerned with the liquidation of Home Assurance Company of Canada.

The Home Insurance Company of New York is duly licensed to carry on the business of insurance within the Province of Alberta, the said Company is in good standing and their annual reports indicate a sound and strong financial position.

Due to numerous inquiries received by this department, it is apparent that some confusion exists in the minds of the public and policy-holders, caused no doubt by the similarity in names, and any policy-holder of The Home Insurance Company of New York who may have received a notice from any Board or Corporation from which that policy-holder concluded that The Home Insurance Company of New York is in liquidation, is hereby requested to entirely disregard such notice.

Appropriate measures are being taken to correct the confusion which apparently has arisen in the minds of the public and the policy-holders. In the meantime the Superintendent of Insurance feels impelled to make this announcement so that it may be definitely understood by the public and the policy-holders of The Home Insurance Company of New York that policies in The Home Insurance Company of New York are in no way affected by the events relative to Home Assurance Company of Canada.

E. R. HUGHES,  
Superintendent of Insurance.
